ASSESSMENT RESULTS SUMMARY 2025

There are statutory assessments conducted in the following year groups:

Year 1 – Phonics Screening Check – administered in June each year.

Year 4 – Multiplication Check – administered in June each year.

Year 6 – End of Key Stage 2 SATs – administered during the second week in May each year.

Key Stage 1 SATs are no longer a statutory assessment required for schools to complete. However, for the academic year 2024/2025 the academy trust, DDAT, that William Gilbert belongs to have requested that schools continue to administer these assessments during the month of May for Year 2 pupils.

These results are very important, but it is equally important to recognise they are part of the overall picture of children's achievements.

As a School we are committed to doing everything we can to enable our children to achieve at the highest levels possible.
