6th February 2023

Dear Parent/Carers of Year 5 & 6

To enhance our Geography Curriculum, we have arranged for an Explorer Dome to visit school. This exciting opportunity will enrich your child's learning and provide hands on experiences, stimulate curiosity, and immerse them in an interactive lesson. The Environment show is led by professional and experienced leaders and the children will visit some of the great natural habitats of Earth, build food webs and see how animals have adapted to their environments. The children will discuss the reasons for deforestation and the greenhouse effect, and feel empowered to make a difference as we enjoy finding out about our amazing planet.

The Explorer Dome is coming into school on Wednesday 22nd March 2023.

It is necessary for me to ask for a voluntary contribution of £6.25, which covers the cost of the activity. This event has been added to your child's account on Scopay. Please log into your account to make payment for this activity by **Friday 17th March.**

With reference to the Education Reform Act (1988) the school is obliged by law to point out that payment is made entirely on a voluntary basis and you are under no obligation to make a contribution.

It is, however, important to point out that the school has no alternative source of funding and this activity will only go ahead if parents see fit to make a voluntary contribution of £6.25. For parents receiving a Job Seekers Allowance, Income Support or Family Credit the school will offer financial assistance in the strictest confidence. Please contact the school office to discuss.

Yours sincerely

Miss Whiting
Class teacher & Geography Subject Leader
