YOU SHOULD BE SAFE

Here at William Gilbert Endowed Primary School and Nursery we believe it is wrong for anyone to hurt you. If they do, it is never your fault. You have the right to be safe and happy. This leaflet shows you what to do and who to tell if you are worried about something.

What our school does to help us stay safe...

- Anybody who works at our school will be checked by the DBS to make sure that they are safe to work with children.
- Our school has a Designated Team for Safeguarding, led by Mrs Whyld and Mrs Britten who have had lots of training to identify what to do if they are concerned. They also train all of our teachers in keeping you safe and listening to your concerns and worries.
- Our school makes sure other adults that visit have to sign in and wear coloured lanyards and visitor's badges so we know they are safe to be in our school.
- Our school teaches us how to keep ourselves safe. Our lessons include, healthy eating, anti-bullying, online safety, road safety, the PANTS rule, how to report abuse/concerns if we are worried about our safety.
- We have rules to keep us safe because they help us to look after each other.
- We have walls, gates and fences so that people can't just come in. Doors are locked to stop people coming in.

What our parents should do to help us stay safe...

- Talk to school if they need help or support.
- Let school know if I have a medical condition or if I am off school sick.
- Let school know if there are any changes for me, such as moving house, a new phone number or someone different looking after me.
- Let school know who will be dropping me off and picking me up and if there are any changes to my emergency contacts.

What should I do...

Tell an adult if I am worried about anything.

- Tell an adult if I don't feel safe or feel uncomfortable in some situations.
- Tell an adult if I have an injury that wasn't an accident or if I am hurt.
- Keep all messages to show the right people if I have had problems online.

Who can you tell?

If you are worried that you or someone you know is being hurt, it is important to tell someone you can trust.
